STANDARD DENIM DIVER COVERALL - SY-STDDENIM

The Standard Denim Diver is a durable & comfortable garment designed specifically for commercial divers. Manufactured from heavy-duty denim fabric, it provides protection against abrasion and wear while ensuring flexibility and freedom of movement during diving operations. Suitable for use under diving equipment, it offers reliable comfort and durability in demanding underwater working environments.

Features:

- Heavy-duty denim construction
- Durable and abrasion-resistant
- Comfortable, flexible fit
- Reinforced stitching for enhanced durability
- Designed for commercial diving applications
