

STAND-BY DIVER CABIN

SYNERGY
INNOVATIVE DIVING EQUIPMENT TRADING LLC

INSPIRING • ENGINEERING • INNOVATION

The **Portable Synergy Stand-by Diver Cabin** is engineered for excellence in diver safety and operational efficiency.

Equipped with a fully air-conditioned interior for optimal climate control and an ergonomically designed seat for maximum comfort, the cabin ensures a secure and productive standby environment.

Advanced live video and audio monitoring keeps the in-water diver under constant observation, while seamless communication with the dive mission control center guarantees smooth coordination throughout every dive operation.

SPECIFICATION:

DIMENSIONS:

- 270cm × 150cm × 150cm (H × L × W)

WEIGHT:

- 1000 kg / 2204.62 lbs

PAD EYES (4) :

- Heavy-duty lifting points provided on the cabin roof for safe handling and transportation using certified lifting equipment.

FIRE EXTINGUISHER (1):
