Fibron 1/4 inch #4 JIC Hose Fitting Swagable Phosphor - Bronze

The Fibroline (FBL series) and Fibrolite (FLT series) pneumo, gas and hot water hoses have an extruded polyurethane final finish (Fibroline with a thicker cover for greater robustness). These are typically used in surface demand / air dive applications.

APPLICATIONS:

- #4 JIC Hose fitting for 1/4 inch I.D. Fibron Fibrolite and
- Fibroflex Umbilical Hoses

Note: Crimp diameters (CDD) are for Fibron phosphor bronze hose end fittings for the Fibron ranges of diving hoses.

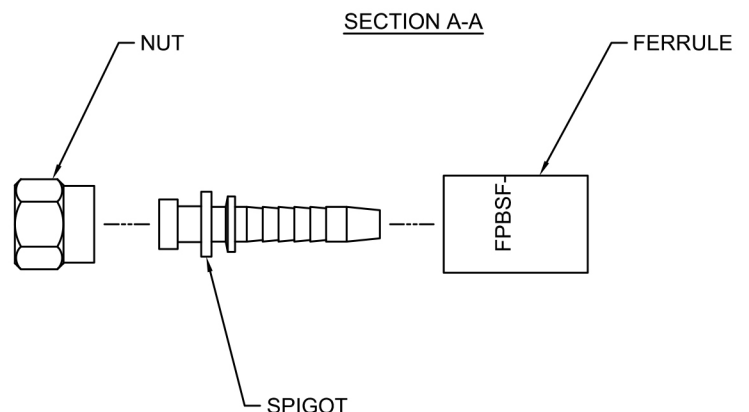

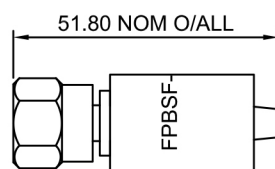

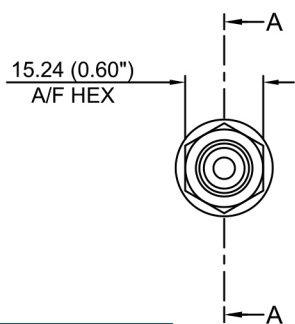

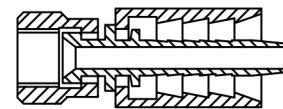

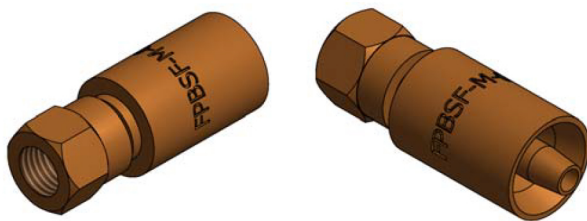

SPECIFICATIONS:

Hose Details:

- Body Material: Swagable Phosphor - Bronze
- Bore: 1/4 inch
- Hose Type: Fibrolite or Fibriflex
- Hose Fitting: #4 JIC
- Part Number: FLT04
- O.D.: 11.50 mm
- Max Working Pressure: 400 PSI

Ferrule O.D.:

- Pre Crimp: 19.00 mm
- Post Crimp: 16.00 CDD ± 0.20 mm

MATERIAL = PHOSPHOR BRONZE BS2874 / BS EN 12163 PB102.
