DESCRIPTION

The Diver Skin 0.5mm Suit is an economical and practical full-body suit designed for commercial diving, oil industry applications, and warm-water underwater operations.

Constructed from comfortable, hard-wearing, super-stretch 0.5mm material, it provides total flexibility and maximum freedom of movement. The ergonomic tailoring ensures a form-fitting, comfortable fit, while the high-stretch flatlock seams and finished cuffs offer durable reliability during active use.

Equipped with a heavy-duty back-entry zipper and an extended pull leash, this suit allows for easy, independent donning and doffing. It can be worn as a standalone suit for surface and tropical dive protection, or layered underneath thicker neoprene wetsuits for enhanced thermal efficiency and smooth suit entry.

Available Sizes: Small, Medium, Large, X Large, XX Large and XXX Large.

0.5mm Super-Stretch Neoprene / Lycra Blend

Full Steamer Construction – Long Sleeve / Full Leg

Front Chest Zip & Back Zip with Pull Leash

Reinforced Flatlock Stitching

Can Be Used as an Underlayer

Ideal for Scuba Diving, Snorkeling, Freediving, Spearfishing & Water Sports
