SY-DIVER-SKIN WETSUITS | SY-DSWS-SP-2MM

DESCRIPTION

The Diver Skin 2mm Wetsuit is an economical and durable diving wetsuit designed for commercial diving and oil industry applications. Constructed from comfortable, hard-wearing, super-stretch neoprene, it provides excellent flexibility, comfort and freedom of movement during underwater operations.

The ergonomic construction is designed to provide a comfortable fit for demanding diving activities.

The reinforced stitched construction provides durability, while the close-fitting design helps provide comfort during extended underwater operations.

Available Sizes: Small, Medium, Large, X Large, XX Large and XXX Large.

FEATURES

2mm super-stretch neoprene construction
Single-piece full-body wetsuit
Full-length arms and legs
Back-entry zipper
High-neck collar
Red shoulder and upper-arm panels
Ergonomic body construction for freedom of movement
Durable stitched seam construction
Close-fitting design for comfortable underwater use
