DIVER-SKIN WETSUITS | SY-DSWS-TP-5MM

DESCRIPTION

The Diver Skin Black 5mm Wetsuit is an economical and durable diving wetsuit designed for commercial diving and oil industry applications. Constructed from comfortable, hard-wearing, super-stretch neoprene, it provides excellent flexibility and comfort during underwater operations.

The internally lined insulation provides additional thermal protection, while double-stitched construction enhances long-term durability. The robust seams and rubber-sealed edges provide a secure and comfortable fit. Ergonomically tailored for the diver, the wetsuit provides excellent comfort and freedom of movement underwater.

Available Sizes: Small, Medium, Large, X Large, XX Large and XXX Large.

FEATURES
